How do I search on Cambridge Core?

1. To perform a search, enter your terms in a search box, and select the icon to view your Search results.
2. You can sort your search results by:
   - Relevance
   - Title
   - Publication date
3. You can refine your search by editing your original terms in the search text box, and selecting the icon.
4. You can refine your search further by selecting the parameter/s located at the left side of the search page. You can filter by:
   - Access: easily view whether you have access to content
   - Publication date
   - Subject
   - Tags
   - Journals
   - Publishers
   - Societies
   - Series
   - Collections
5. Use the tick-boxes next to each title to select specific content

Don't have access to the content you need?
Recommend to your librarian

Actions for selected content

Several actions are available for selected search results. You can perform the following:
- View the selected search result item[s] in a new tab or window.
- Save the selected search result[s] to your bookmarks
- Export citation(s)
- Download PDF(s) of the selected content.
- Send to Kindle/Dropbox/Google drive

Register for a Cambridge Core account and you’ll be able to:
- Save your searches- come back and review them later to see newly published, relevant content.
- Bookmark content to find and read later.

How can I export citations?

You can export citations for individual articles or chapters, as well as selected groups of content, by clicking the ‘Export citations button’.

The ‘Citation Tools’ window will appear:

Did you know?

EasyBib provides hundreds of citation styles including APA, Chicago, Harvard Referencing and MLA.

Use the search box to find your preferred citation style, then click Export to download appropriate citations.
You can then select a format to download your references.

Tip: Scroll down to view these options on the left-hand side of your search results page. Please note, Cambridge Core is fully responsive so on some devices the search filters will move above the search results.
How do I create a Cambridge Core account?

Logging in
Existing customers: log in using the email address for your Cambridge Core account. You will need to reset your password the first time you log in.

Forgotten your email address?
Contact academictechsupport@cambridge.org.

Register an account with us

Why register for an account?
Register for an account with us to get the most out of Cambridge Core, including:
- Save searches, so you can access updated search results at a later date
- Bookmark content you access frequently or want to read later
- Future offers on content and updates

How do I set up an account?

Select the Register button, and fill out our short form with your name, email address, organisation, country and create a password.

Once you've registered, a verification email will be sent to your account.

What should I do if I do not receive my verification email?
- Check your junk email folder
- Make sure you have entered your details correctly on the registration form
- Visit our Help page for information about who to contact next: www.cambridge.org/core/help

How do I update my account details?

After logging in, you can view and manage your account settings by clicking on the My account button at the top right corner of the screen.

On the My account page, you can choose from the following areas:
- My account settings - change your password here
- My alerts - sign up to new article and issue alerts for your journals of choice
- My bookmarks
- My content - redeem access codes/activate subscriptions
- My searches
- My societies

Sign up for content alerts by either:

1. Navigate to the journal you want to receive alerts from and click on the bell. If you are logged in you will be automatically signed up. If you aren't logged in you will be prompted to login first.

OR

2. Log in to your account and navigate to My account > My alerts. On this page you can search for the journals you are interested in using the 'Add alert' button and set the frequency of emails.

Cambridge Core Share

Cambridge Core Share is the sharing service from Cambridge University Press. It is a tool which allows you to easily generate a read-only version of an article you have access to, which can be shared freely online. If a journal is using Cambridge Core Share, all you need to do is select 'Share content' and choose whether you wish to share via email, PDF or copy and paste the link.
